Experience

City Weekly, Salt Lake City

Editorial Assistant December 2017 – March 2020
Edited copy and design for each week's issue as well as City Weekly's other publications such as Best of Utah and City Guide. Other responsibilities included writing cover stories and news as well as blogs for online-only content. Also shot photos and contributed content where needed.

Park City Mountain Resort, Park City, Utah

Ski School Instructor November 2019 – March 2020
I worked part time as a youth ski school instructor. This involves working with kids ages 4 to 14. Skills required included learning how to adjust teaching techniques for different age groups and managing large groups of children as well as verbal communication skills.

Mountain Activities Attendant May 2019 – September 2019
Worked with the resort's summer activities. Responsibilities included operating the mountain coaster and ropes courses. Learned guest experience strategies and best practices for safety.

Amigos de las Americas—Salt Lake City

Board Member & President August 2017 – Present
After moving back to Salt Lake City in 2017, I reconnected with the Salt Lake chapter. They were in need of some new people on the board and after a year as a member at-large, I was voted in as president. I have since worked to inject some new life into the chapter in hopes to continue it for years to come.

The Tennessean, Nashville, Tenn.

REPORTER June 2016 – February 2017
Helped revamp the Tennessean's coverage of Williamson County, Nashville's largest suburban county. Jobs included developing media relationships with important figures in the community, expanding our social media reach and readership and developing in-depth stories with interactive features for the online product.

The Leaf-Chronicle, Clarksville, Tenn.

MILITARY REPORTER June 2015 – June 2016
Reported and developed content focused on Fort Campbell, one of the largest Army bases in the country. Jobs included developing my own following in print and online for the niche military community in Clarksville, learning the ins and outs of the Defense Department and filming and editing video content for the news website.
